

# Hoary Bat Research Log

---

*Directions: Use the Websites provided to research and answers the following questions.*

**What is the Hoary Bat's:**

**Length:** \_\_\_\_\_

**Weight:** \_\_\_\_\_

**Wing Span:** \_\_\_\_\_

**Diet:** \_\_\_\_\_

**What benefits does the Hoary Bat bring to the ecosystem?**

---

---

---

---

**What drawbacks does the Hoary Bat bring to the ecosystem?**

---

---

---

---

**What are some positive interactions (if any) do Hoary Bats have with humans?**

---

---

---

---

**What are some negative interactions (if any) do Hoary Bats have with humans?**

---

---

---

---

**Determine if the Hoary Bat is our Friend, Foe, or you need more information to? Below explain which option you picked and why. If you chose that need more information, what other information do you need to help you come to a conclusion?**

---

---

---

---

**Below, write one thing that you learned that was not asked about above.**

---

---
